100% Linen Garments

Crafted from premium European flax, our linen reflects effortless luxury.
Naturally breathable and gentle on the skin, perfect for resort-wear and lifestyle apparel.

- Made from certified European Flax®, known for purity and strength
- Custom dyeing from Pantone references or fabric swatches
- Embroidery, contrast stitching, or trims can be incorporated to enhance brand identity.
- Suitable for shirts, co-ord sets, tunics, dresses, jackets, and trousers.

Linen blends

Our linen blends combine the timeless elegance of linen with the softness and durability of cotton, viscose, or lyocell. Crafted for brands that appreciate both comfort and refined structure.

- Linen blended with cotton and viscose, offering a perfect balance of comfort and sophistication.
- Balanced texture and fluidity, comfort of blends with the character of linen for added softness and drape.
- Perfectly suited for premium fashion labels, resort wear brands, and sustainable lifestyle collections.
- Customizable composition ratios (e.g., Linen 60 / Cotton 40)
